

Master-AO

Glutathione complex with strong antioxidants¹
to protect against oxidative stress².

USE: 2 tablets/day

PACKAGING: 60 blistered tablets/box

PRODUCT DESCRIPTION

Master-AO is a high-quality glutathione complex enriched with specific cofactors (such as, for example, anthocyanins and selenium) that contribute due to their antioxidative properties¹ to the protection of cells against oxidative damage². For the maintenance of a normal cell division process³.

- 1 Grapevine extract with **antioxidative properties** and $\geq 25\%$ anthocyanins;
 - 2 Selenium helps cells to **protect against oxidative stress**;
 - 3 Folic acid/Folate contributes to the maintenance of a **normal cell division process**;
- ✓ In combination **with reduced L-glutathione**.

FORMULA (per daily dose of 2 tablets)

Active ingredients:

L-Glutathione	400 mg
Vitis vinifera (grapevine)	400 mg (= 100 mg anthocyanins)
L-cysteine	80 mg
