

## Pro statidil

Support of the urinary tracts<sup>1</sup> and the immune system<sup>2</sup>, rich in antioxidants<sup>3</sup>.

**USE:** 2 tablets/day

**PACKAGING:** 60 blistered tablets/box

### PRODUCT DESCRIPTION

Pro statidil is a dietary supplement with a sophisticated formula to support urinary tracts<sup>1</sup> and the maintenance of natural immunity<sup>2</sup>, rich in antioxidants<sup>3</sup>.

- 1 Extracts of the nettle, tea plant and meadowsweet contribute to the **support of the lower urinary tracts**;
  - 2 **Seven components\*** (including turmeric, ginger and green tea) that help support the **natural defence** and normal **activity of the immune system**;
  - 3 **Sixfold antioxidant approach** by combining turmeric, wild marjoram, ginger, green tea and grapevine extracts with natural vitamin E;
- ✓ With a substantial quantity of **quercetin and L-glutathione**.
